## See, Think, Wonder Prompts

**See** – What tree is this?

What is growing on the trees?

**Think** – How do trees grow?

Is a tree a plant?

How do you think fruits grow on the trees? What do plants need to grow? Is the fruit safe for humans to eat?

**Wonder** – What are you thinking or want to know about this tree or what is growing on the tree?

Do you think this type of tree grows in every country around the world?
