

## Migration

### **International Migration**

The movement of people from one country to another.

### **National Migration**

The movement of people from one area of a country to another area in the same country.

### **Illegal Migration**

The movement of people into a country in violation of the immigration of that country.  
This might include people who do not have a legal right to stay in the country and they do not have a visa or permit to be in the country.

### **Refugee**

A person or people who are unable or unwilling to return to the source country of origin out of a well-founded fear of being persecuted for reasons of race, religion, nationality membership of a particular social group or political opinion.

## Key Words

### Push Factor

Reasons that make people want to leave an area or country.

### Pull Factor

Reasons that attract people to live in a particular area or country.

### **Source country**

The home country of a migrant.

The migrant's country of origin.

### **Host country**

The country that will host the migrants.

The destination country for a migrant.
